Tennessee	*	*		

# State and Local Data Acquisition: SNAP, TANF, WIC , and other data

# Negotiation Focus - Current and Future

- Current
  - Letter from Census Bureau Director
  - Stress improvements to 2020 count
  - Tabulations/visualizations showing participants vs modeled eligible
  - Funding to offset costs of extraction
- Future
  - Letter from Secretary of Commerce
  - Personal visit
    - First ten visits defined by past NRFU and total population
    - Target audience, Chief of Staff and Program Directors

# Challenges

- Getting to the right contact to request data
- Getting the data delivered after signature
